Located just outside of Historic Bisbee Arizona (Between historic Bisbee and Douglas) in Arizona's Southern Plateau region, this area boasts sunshine 86% of all daylight hours. Rich in historical lore, Cochise County offers a real taste of the Old West just minutes from Double Adobe Campground.

Don't forget to bring items for our auction and raffle, and remember that early arrivals participate in Jere's famous hobo stew. Watch for news about additional activities, both before and after the official dates of the rally.

While our schedule is not yet complete, it's not too early to register, both with the campground and with the rally hosts. Additional rally fees and/or meal costs may be assessed at the rally.
